

Morning Bird

The Sleepy Jackson

Don't cry my morning bird
Don't cry right now
Don't cry my morning bird
Don't cry right nowThe Lord's sitting in the sky waiting for
All of us now
The Lord's sitting in the sky waiting for
All of us nowSo don't cry right now
Don't cry right now
Don't cry right now
Don't cry right nowDon't cry right now
Don't cry right now
Don't cry right now
