Well, its trapped up inside you Theres no peace, theres no hope When its trapped up inside youWell, come this way Come this way now Your position is weakening Your position is goneWell, it doesnt even matter What youre thinking It doesn't matter at allWhen, its trapped up inside you Theres no peace, theres no hope When its trapped up inside youWell, come this way Come this way now Your opinions are changing Your opinions not sound, noIt doesnt even matter What the truth is All that matter is nowWhen, its trapped up inside you Theres no peace, theres no hope When its trapped up inside youWell, come this way Come this way, now Youre selling yourself, youre cold Youre selling yourself at 27 years oldWell, its trapped up inside you Theres no peace, theres no hope When its trapped up inside you Theres no peace, theres no hopeWell, come this way Come this way now Youre selling yourself, youre cold Youre selling yourself at 27
