Crowd Control

MX80

Listen now, I'm talking
I've been for weeks
Waiting in this growing crowd
Staring at my feet
The world around me is turning
I'm just standing still
The time has come for changes
Do something or I will
I'm a feather in a storm
I'm a raindrop in the sea
If I don't get enough of you
I'm a lighter shade of me
Sisters, brothers all around you
There's a devil in the crowd
Meet his eye and it's the end of time
If you're praying, don't be loud
It's crowded in the lowlands
But the fools stay on the hill
You control us now
You have the reins
Do something or we will
So show us why we came here
Before we lay on the ground
Give it to us loud and clear
Make the devil turn around
The world around me's turning
I'm just standing still
The time has come for changes
Do something or I will
It's crowded in the lowlands
But the fools stay on the hill
You control us now
You have the reins
Do something or we will
So show us why we came here
Before we lay on the ground
Give it to us loud and clear
Make the devil turn around
The world around me's turning

I'm just standing still
The time has come for changes
Do something or I will
The time has come for changes
Do something or I will
The time has come for changes
Do something or I will
