

The Way I Love Her

Bap Kennedy

What can I tell you,
I was a just a kid
I've no idea,
why I did the things I did
If I have one regret it's her
Though I pretend that I don't care
You don't love her
The way I love you
You don't love her the way I do
When I saw her,
I forgot the years
All those pointless,
arguments and tears
And as far as I can see
You've been worse for her than me
You don't love her
The way I love you
You don't love her the way I do
You don't love her
The way I love you
You don't love her, she loves you
I did the things I chose to do
My plans did not include her too
I'm back in town, I just got free
You're standing there instead of me
You don't love her
The way I love you
You don't love her the way I do
You don't love her
The way I love you
You don't love her, she loves you
You don't love her
The way I love you
You don't love her the way I do
You don't love her
The way I love you
You don't love her, she loves you
