Sorry A** Apology

RydazNrtist

I, I ooh I
I'm sorry
So sorry
Baby

Ooh baby baby baby baby baby

Girl I ain't nothing but a low down fornicating thug
From one night stands to menaje a trois
Girl I done done it all
But out of all the girls I vowed that I would never do you wrong
But as hard as I try I can't seem to do right

And I know you're sick of all them chicks calling the crib at night
And I know you're sick of your intuition telling you I've lied
And I know you're tired of being sick and sick of being tired
I couldn't cover my dirt
So for whatever it's worth...

This is my sorry ass apology
I took your love for granted
So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology

How can I compose the words to help me make things right
You knew I was no good when you first met me but you still gave me a try
You were so understanding
I never could imagine being apart
Now I shattered your heart

And I know you're sick of all them chicks calling the crib at night
And I know you're sick of your intuition telling you I've lied
And I know you're tired of being sick and sick of being tired
I couldn't cover my dirt
But for whatever it's worth...

This is my sorry ass apology
I took your love for granted

So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology

You said I always thought
That I was never wrong
And maybe you were right
After all the things I've done
But baby I repent
After all that I did
Oh baby I repent for all I ever did to you

This is my sorry ass apology
I took your love for granted
So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology (I'm sorry)

This is my sorry ass apology
I took your love for granted
So selfish just doing me
Now I feel like oh oh
Now you feel like oh oh oh
This is my sorry ass apology

I, I ooh I
I'm sorry
