

Mr. President

The Marshall Tucker Band

We've taken all you've given
But it's gettin' hard to make a livin'
Mr. President have pity on the working man We're not asking you to love us
You may place yourself high above us
Mr. President have pity on the working man I know it may sound funny
But people ev'ry where are runnin' out of money
We just can't make it by ourself It is cold and the wind is blowing
We need something to keep us gong
Mr. President have pity on the working man Maybe you've cheated, maybe you've lied
Maybe you have lost your mind
Maybe you're only thinking 'bout yourself Too late to run, too late to cry now
The time has come for us to say goodbye now
Mr. President have pity on the working man Mr. President have pity on the working man
