

# Raven

Wizz Jones

And as the raven flies, she feels unwelcome  
She's fallen out of her tree  
Caught on a limb of silver linin'  
Her wings uncertain oh but she's still flyin'  
Yeah little raven, I see you there  
Hold your head up now  
I won't try and pull your feathers out I promise  
Go on dry your eyes  
You know that I've forgiven you and I'm sorry  
And everything till now  
It wasn't that bad really, beautiful lady  
Why don't you fly with me?  
We'll have a chat and a cup of tea  
And a long lost need to see who's really there  
And you'll finally be okay with me  
And I'll hear your stories that fill your sad eyes  
When you had raven hair  
Hold your high up high  
I know that I've been ruthless, I've been ruthless  
Go on dry your eyes  
You know that I've forgiven you and I'm sorry  
And everything till now  
It wasn't that bad really, beautiful lady  
Go on dry your eyes  
Hey you finally see me, hi and I see you  
And everything till now  
It wasn't that bad really, beautiful lady  
Go on dry your eyes  
You know that I've forgiven you and I'm sorry  
And everything till now  
It wasn't that bad really, beautiful lady
