

Stuck

Adelitas Way

I gotta ask you to live
I gotta ask you to piss
I see, somethin's missing
I guess they said it was love
I guess I said that I'm done
What's this, I've been feeling stuck
And I feeling like I never
Get to smell the sun
Do you ever think to yourself?
Maybe it's, I'm that stuck I don't like that I'm the only one that's slippin' away
I'm stuck (Maybe it's I'm that stuck) I don't wanna be the one who keeps on counting my days
I'm stuck (Maybe it's I'm that stuck) I don't like that I can see my second's slippin' away
I'm stuck (Maybe it's I'm that stuck) It sticks before you could know
You ever saw what was wrong
I see someone's listening
I guess they said it was love
I guess I said that I'm done
Wise words and now I'm stuck
And I'm feelin' like I never
Get to smell outside
And I'm feelin' like you never
(Cause maybe it's , I'm that stuck) I don't like that I'm the only one that's slippin' away
I'm stuck (Maybe it's I'm that stuck) I don't wanna be the one who keeps on counting my days
I'm stuck (Maybe it's I'm that stuck) And I don't like that I can see my second's slippin' away
I'm stuck (Maybe it's I'm that stuck) And I don't wanna be the one that always gets in the way
I'm stuck (Maybe it's, I'm that stuck)
I know It's I'm that stuck I don't like that I'm the only one that's slippin' away
I'm stuck (Maybe it's I'm that stuck) I don't wanna be the one who keeps on counting my days
I'm stuck (Maybe it's I'm that stuck) And I don't like that I can see my second's slippin' away
I'm stuck (Maybe it's I'm that stuck) And I don't wanna be the one that always gets in the way
I'm stuck (Maybe it's, I'm that stuck) And I don't like that I can see my second's slippin' away
I'm stuck (Maybe it's I'm that stuck)
I don't wanna be the one who keeps on counting my days
I'm stuck (Maybe it's I'm that stuck)
I'm stuck
