## Bleed The Dream

You weren't suppose to bleed with me  
Sometimes these things just happen  
Before you take it way too far  
You gotta know that this will never happenConfessions  
They're so dull  
They'll only kill you one by one  
So just go  
'Cause you know  
I'll do it again and againYou know there's only seconds left  
We've waited for so long  
You're not so easily impressed  
How am I supposed to get out of this oneI'll take what's mine and walk away  
And with a face like yours you don't need a heart  
So go ahead say what you want to say  
'Cause I'll close my fist and this will never happenConfessions  
They're so dull  
They'll only kill you one by one  
So just go  
'Cause you know  
I'll do it again and againYou know there's only seconds left  
We've waited for so long  
You're not so easily impressed  
How am I supposed to get out of this one  
How am I supposed to get out of this one  
How am I supposed to get out of this oneMy body and soul  
My body and soul  
Was chosen  
My body and soul  
My body and soul  
Was chosenConfessions  
They're so dull  
They'll only kill you one by one  
So just go  
Cause you know  
I'll do it again and againYou know there's only seconds left  
We've waited for so long  
You're not so easily impressed  
How am I supposed to get out of this one
