Vulnerable

Vanessa Hudgens

When I think about you and me
I get a little weak in the knees
I feel the flutter of the butterflies and
Sometimes I can hardly breath
So, baby
(Baby)
Hold me now
(Hold me, hold me)
I can't tell if I am lost or found
('Cause I'm livin' in a dream
And I don't wanna wake up)
And I don't know how
To let you in or let you go
I'm so vulnerable
Hold me now
(Hold me)
Please baby, don't let me down
('Cause I'm livin' in a dream
And I don't wanna wake up!)
I know for sure that you're the cure
Comin' down with a case of "I love you more"
I don't wanna be vulnerable
When it comes to this book of us
I think it's time now to turn the page
And I don't wanna say I love you first
But my heart it can hardly wait
So, baby
(Baby)
Hold me now
(Hold me, hold me)
I can't tell if I am lost or found
('Cause I'm livin' in a dream
And I don't wanna wake up)
And I don't know how
To let you in or let you go
I'm so vulnerable
Hold me now
(Hold me)
Please baby, don't let me down

('Cause I'm livin' in a dream
And I don't wanna wake up)
I know for sure that you're the cure
Comin' down with a case of "I love you more"
I don't wanna be vulnerable
I don't wanna see you hurt
Don't you worry, baby girl
Take my hand, understand I'm afraid
To tell you the very worst
That you want to hear me say
When you say it here tonight
Will you mean it for our life?
Will you tell me everything
That your heart is really feeling for me?
So why won't be vulnerable?
('Cause I'm livin' in a dream
And I don't wanna wake up)
And I don't know how
To let you in or let you go
I'm so vulnerable
Hold me now
(Hold me)
Please baby, don't let me down
('Cause I'm livin' in a dream
And I don't wanna wake up)
I know for sure that you're the cure
Comin' down with a case of "I love you more"
I don't wanna be vulnerable
