You Ruined Me

Jc Chasez

I could be the first to let you know
That nothing means anything
Now I'm standing here outside your door
In the pouring rain
And I can't believe nothing's supposed to get to me
Now I'm in this misery
I can't be with anyone
Since I felt our worlds collide
It's like I almost died
The way you make me feel
I'm changing, got me breaking down inside
Baby, can't you see you ruined me for life
I will be the last to let you down
All your fears and doubts
Are hovering above you like a cloud
And the water's rising
Now I can't breathe
Nothing's how it's supposed to be
How did you do this to me?
Locked inside your heart shaped box
I can't be with anyone
Since I felt our worlds collide
It's like I almost died
The way you make me feel
I'm changing, got me breaking down inside
Baby, can't you see you ruined me for life
I don't wanna be in love
I don't wanna feel this way
All I wanna do is leave
But all I can do is stay
Nights and days go by
And I can't wait
To touch your face again
I could be the first to let you know, whoa
That I can't be with anyone
Since I felt our worlds collide
It's like I almost died
The way you make me feel
I'm changing, got me breaking down inside

Baby, can't you see, you ruined me
Oh, I can't be with anyone
Since I felt our worlds collide
It's like I almost died
The way you make me feel
I've been changing, got me breaking down inside
Baby, can't you see, you ruined me
I don't wanna be in love
I don't wanna feel this way
All I wanna do is leave
You ruined me for life
