

Lookin' for Another Pure Love

Stevie Wonder

Never tears or sorrows came before me in my mind
I had no problems, never a problem in my life
Never a worry on my mind
All my days before today were happy And secure until your phone call
You were tellin' me goodbye
Now I'm lookin' for another love
I'm lookin' for another pure love in my life Oh
And I'm lookin' for another love
I'm lookin' for another pure love in my life
Now the wheel of fate has turned
I'm worried 'bout the new love you've discovered He is a problem in my life
I have a problem on my mind
Things you cherish most in your life
Can be taken if they're left neglected Leavin' a problem in your life
'Cause now I'm lookin' for another love
I'm lookin' for another pure love in my life, ooh And now I'm lookin' for another love
I'm lookin' for another pure love in my life, ooh
I'm lookin' for another love
I'm lookin' for another pure love in my life
I'm lookin' for another love
I'm lookin' for another pure love in my life
You know, I'm lookin' for another love
I'm lookin' for another pure love in my life
