Anthem For Tonight

Halifax

So here's a question,
I'll hypnotize you,
But will you follow me,
Follow all these footsteps I left behind,
My hands are shaking,
Don't criticize me for being in demand
I could pay for your tears,It's in my job description,
To tell you how to feel,
This is my ammunition,
I'll fire at willMake make me make you want to sing along,
WOAH OH OH, WOAH OH OH,
(you can have my heart)
Break break me until I write your favorite song
WOAH OH OH, WOAH OH OH,
This is your anthem for tonight,You're contemplating
What you want from me,
But it's not up to you,
Listen to me what I have to say,
Up against the wall,
With my guard down,
But can you conquer me,
A fighter in the corner with no fightIt's in my job description,
To tell you how to feel,
This is my ammunition,
I'll fire at willMake make me make you want to sing along,
WOAH OH OH, WOAH OH OH,
(you can have my heart)
Break break me until I write your favorite song
WOAH OH OH, WOAH OH OH,
This is your anthem for tonight,So here comes a breakdown,
Oh you wish you could,
So here comes a breakdown,
Let's see who can get down
So here comes a breakdown,
Let's see who gets downJust tell me one more time,
What do you want from meMake make me make you want to sing along,
WOAH OH OH, WOAH OH OH,
(you can have my heart)
Break break me until I write your favorite song

WOAH OH OH, WOAH OH OH,
This is your anthem for tonight
