

Ultimate Sacrifice

Robert Bradley's Blackwater Surprise

Would you try to live your life
For the ultimate sacrifice, try to hold on?
Would you try to live your life
For the ultimate sacrifice, try to hold on? It may be love, love down in June
Or havin' your baby by the light of the moon
Or maybe that house out in Beverly Hills
Maybe out in the country where you want to live Would you try to live your life
For the ultimate sacrifice, try to hold on?
Would you try to live your life
For the ultimate sacrifice, try to hold on? And may be ridin' in a Rolls Royce
Or havin' the lover, the lover of your choice
And maybe just ridin' down a lonely road
Livin' out in the country when you get old Some folks say there's a reason
Why the sun shines in the sky
Some folks say there's a reason
Why we all got to cry Hold on, hold on, hold on
Hold on, hold on, try to hold on, hold
Try to hold on, try to hold on
Try to hold on, on Would you try to live your life
For the ultimate sacrifice, try to hold on?
