

When The Lights Go On Again

Vera Lynn

When the lights go on again all over the world
And the boys are home again all over the world
And rain or snow is all that may fall from the skies above
A kiss won't mean goodbye but hello to love
When the lights go on again all over the world
And the ships will sail again all over the world
Then we'll have time for things like wedding rings and free hearts will sing
When the lights go on again all over the world
When the lights go on again all over the world
And the ships will sail again all over the world
Then we'll have time for things like wedding rings and free hearts will sing
When the lights go on again all over the world
