

Precious

Norrisman

I was lost until you came
Tell you what was needed soon
 Precious little angel
Take a look, what you've done
But, I was lost until you came
 Precious little angel
Take a look at what you've done
Well, I thought my time was over
 But it's only just begun
 Precious little angel
You're my own sweet turtle dove
Won't you stay with us for ever
 In a bundle full of love
Well, I was lost until you came
 Precious little angel
Won't you spread your light on me?
I was locked up in the darkness
Now you've come to set me free
 I was covered up with sadness
I was drowned in my own tears
I've been cynical and twisted

I've been bitter all these years
Well, I was lost until you came
 Well, I was lost until you came
And wouldn't I run a thousand miles
 To be with you, to be with you
And wouldn't I run a thousand miles
 To be with you, to be with you
Well, I was lost until you came
 Precious little angel
 Tell me how can it be true
 That such a gift from Heaven
 Has been sent for me and you
 Precious little angel
 Don't you worry, don't you cry
When this bad old world has crumbled
 I'll be standing at your side
 Well, I was lost until you came

Well, I was lost until you came
Well, I was lost until you came
