

Love Me (feat. Nelson)

Daniel Bovie & Roy Rox

why don't you love me,
why don't you just show, tell me you love me baby
I met some guy on the side,
I need you to touch me babyno shame, never want another babe (never want another x2)
and I see, certain insecurity'sfeelin' so high x4why don't you love me,
why don't you just show, tell me you love me baby
I met some guy on the side,
I need you to touch me baby
no shame, never want another babe (never want another x2)
and I see, certain insecurity'sfeelin' so high x4
I see that you want me and the truth is that it's turning me on my baby
So when I make my move, don't you tell me to stop my baby
There's no shame, never want another babe
and I see, certain insecurity'sfeelin' so high x4
why don't you love me,
why don't you just show, tell me you love me baby
I met some guy on the side,
I need you to touch me baby
no shame, never want another babe
haven't you heard
and I see, certain insecurity'sfeelin' so high x4
