

I'm Just Wild About Harry

Judy Garland

I'm just wild about Harry
And Harry's wild about me
The heavenly blisses
Of his kisses
Fills me with ecstasy
He's sweet just like chocolate candy
Or like the honey from a bee
Oh, I'm just wild about Harry
And he's just wild about me
Now, I'm just wild about Harry
And Harry's wild about me
The heavenly blisses
Of his kisses
Fills me with ecstasy
Say now, he's sweet just like chocolate candy
Or like the honey from a bee
Oh, I'm just wild about Harry
And he's just wild about,
Cannot do without,
He's just wild about me.
