

# Gateways (Orchestral Version)

## Dimmu Borgir

The core principle of freedom  
Is the only notion to obey  
The formula of evolution and sin  
Leading the wayThe rebirth is near completion  
As we slowly awaken from slumber  
As we slowly awaken from slumberThe malpractice of the spirit ends  
Gateways!  
When the gift is once again attained  
Gateways!  
No rules or restraints are longer valid  
Gateways!  
When the ancient future is reclaimed  
Gateways!No rules or restraints are longer valid  
Gateways!  
When the ancient future is reclaimed  
Gateways!It's all there for the eye that can see  
The blind ones will always suffer in secrecy  
For it is the omen  
Of what lies submerged  
Untouched within usThe core principle of freedom  
Is the only notion to obey  
The formulae of evolution and sin  
Leading the wayThe rebirth is near completion  
As we slowly awaken from slumber  
To receive the light that shines in darkness  
The light that shines forevermore  
Forevermore!Be the broken or the breaker  
Be the giver or the undertaker  
Unlatch and open the doors  
Be the healer or the faker  
The keys are in your hands  
Realize you are your own sole creator  
Of your own masterplanBe the broken or the breaker  
Be the giver or the undertaker  
Unlatch and open the doors  
Be the healer or the faker  
The keys are in your hands  
Realize you are your own sole creator

Of your own masterplan!
