

Work to Do

America

(Adam Schlesinger) Well it's a tough job but someone's gotta do it
Stickin' it out not givin' in to it
When everybody's givin' up on me and you
Hell if we're gonna make it baby
If we're gonna make it baby
We've still got some Work To Do Well it didn't go down quite the way we planned it
We made mistakes, took some things for granted
We've come this far we've got to see it through
Hell if we're gonna make it baby
If we're gonna make it baby
We've still got some Work To Do And we've got long hours and late nights ahead of us now
But if we try we just might
Make it all right
It might all work out somehow
