

# Dance Bitch

Estelle

Verse 1:

Yes Estelle here like you never ever seen before  
Oh it's real believe I always leave you wanting more  
No, it's really not a game you think I'm playing your  
Paid my dues and now I'm 'bout to brake it down for y'all

Chorus:

I don't want to see you sitting down when the beat drops, now  
What you doin' leaning on the wall like you ain't hear a sound  
If you know what you're working with let me hear your hips start bounce

Let me see you bounce to this

And just rock to this

And go

(Dance bitch)

Just shake it on the floor

Don't stop back it up

Shake a little more

(Dance bitch)

Don't stop now

Throw your hands in the air

Get a little wild with it

(Dance bitch)

Let me see you move your thighs when you sway to the beat

Yeah I know you feel it right

Come on

(Dance bitch)

Come on and get it real hot

When you listen to the hook

And you're waiting for the beat drop

Verse 2:

Listen,

I only hung around with bitches

Chicks wanna pose like they're waiting on a picture

Huh, see that base slide under me

When I hear that

See me start rockin it

Yuh, I don't give a f\*\*k about your bling

I'm 'ma shut this shit down like a policing team

Yuh, you see my full moon rising

Gone for nights and days like this note book I write in  
Chyup, let me help you with that stress  
See you watching tell why you're battering those steps an,  
When you're up in the club or raving in your yard  
I can see your head bouncing  
Pity you're ugly  
Natural, buck teeth  
Put your drink down and get down on this up beat  
Yeah, if you hear this beat swif  
From my town to your town  
(Dance bitch)  
I don't want to see you sitting down when the beat drops, now  
What you doin' leaning on the wall like you ain't hear a sound  
If you know what you're working with let me hear your hips start bounce  
Let me see you bounce to this  
And just rock to this  
And go  
(Dance bitch)  
Just shake it on the floor  
Don't stop back it up  
Shake a little more  
(Dance bitch)  
Don't stop now  
Throw your hands in the air  
Get a little wild with it  
(Dance bitch)  
Let me see you move your thighs when you sway to the beat  
Yeah I know you feel it right  
Come on  
(Dance bitch)  
Come on and get it real hot  
When you listen to the hook  
And you're waiting for the beat drop  
I don't want to see you sitting down when the beat drops, now  
I don't want to see you sitting down when the beat drops, now  
(Dance bitch) x 8
