

# Heart Skips A Beat feat. Chiddy Bang

[Olly Murs](#)

My heart skips-skips-skips-skips-skips a beat.

Olly Murs, Chiddy Bang

Them girls make your heart skip like like

I can see, you're not yourself

Even when you're here, with me

I know that you're some, where else

So put another record on

Kiss and leave me on

Nothing really matters when we're dancing

Listen to the same sad song playing on repeat

'Cause every time we come this close, my heart skips, skips a beat

So come on, spin me around

Now I don't wanna go home

'Cause when you hold me like this you know my heart skips, skips a beat

I know I should, but I can't leave it alone

And when you hold me like this that's when my heart skips, skips a beat

Oh oh oh oh oh oh oh

So, hung up

We can't, let go

If you really have, to leave

One more time just move, me slow

So put another record on

Play it on repeat,

Nothing really matters when we're dancing

Cause all you need to know, is what you do to me,

And every time you hold me close, my heart skips, skips a beat

So come on, spin me around

Now I don't wanna go home

'Cause when you hold me like this you know my heart skips, skips a beat

I know I should, but I can't leave it alone

And when you hold me like this that's when my heart skips, skips a beat

Oh oh oh oh oh oh oh

Hey, you make my heart skip a beat like

Hey lady let me take you out to eat like  
Uh Iâ€™m fittin' to knock it out the park girl  
So put your boyfriend on, three strikes  
Outta here, greedy I don't gotta share  
We gonâ€™ be up til the morning we don't gotta care  
Iâ€™ma sit back and play my cards like solitaire  
You and your friends come with us, like we outta there  
Olly Murs, Chiddy yea!

So come on, spin me around now I don't wanna go home  
'Cause when you hold me like this you know my heart skips, skips a beat  
I know I should, but I can't leave it alone  
So when you hold me like this that's when my heart skips, skips a beat  
Oh oh oh oh oh oh oh  
Heart skips, skips a beat  
Oh oh oh oh oh oh oh  
My heart skips, skips a beat
