[tobyMac](#)

Yeah, we bout to do this, [clears throat] Drop the beat Sivo

True dog, I rule the mic for fun.  
True dog, Still looking for my first homerun.  
True dog, I thought I told you son, the name's Trudog.  
True dog, A Jesusfreak for real.  
True dog, Don't need no trainin' wheels.  
True dog, I thought you knew the deal, the name's Trudog!

[Beat Boxin']

True dog, I rule the mic for fun.  
True dog, Still looking for my first homerun.  
True dog, I thought I told you son, the name's Trudog.  
True dog, A Jesusfreak for real.  
True dog, Don't need no trainin' wheels.  
True dog, I thought you knew the deal, the name's Trudog!

"Can we just be done?"  
"You're gettin paid for this"  
"I am?"  
"yeah"  
"Yay!"  
"Say 'true dog!'"  
"How much am I getting paid?"  
"A Happy meal"
