See the Changes

Modaji

She has seen me changing
It ain't easy rearranging
And it gets harder as you get older
Farther away as you get closer
And I don't know the answer
Does it even matter?
I'm wonderin' how
Ten years singing right out loud
I never looked was anybody listening
Then I fell out of a cloud
Hit the ground and noticed something missing
Now I have someone
She has seen me changing

And it gets harder as you get older
Farther away as you get closer
And I don't know the answer
Does it even matter?
I'm wonderin' how
Seems like something out of a dream
I had years ago, yes I remember screaming
Nobody laughing, all the good times
Getting harder to come by without weeping
Now I have someone
She has seen me changing
And it gets harder as you get older
Farther away
