

# No Tears

## The Psychedelic Furs

there's demonstrations  
and demonstrations  
listen to the weathermen  
they're not saying anything  
they're tripping flags for you  
this crazy face for you  
you don't have a point of view  
you don't have to say you do  
no tears, no colours, yeah  
there's conversation  
and conversation  
talk about yourself again  
talk about the rain again  
another lie for you  
another point of view  
how can you believe in them?  
don't believe in anything  
no colours, no tears, yeah  
there's demonstrations  
and demonstrations  
listen to the weathermen  
they're not saying anything  
there's conversation  
and conversation  
talk about yourself again  
talk about the rain again  
no tears, no colours,  
no you now
