

I'm Gonna Love You Just A Little More Baby

Barry White

It feels so good
You lying here next to me
Oh, what a groove
You have no idea, how it feels
My hands just wont keep still
I love you, baby
Oh, I love you, I love you, I love you
I just wanna hold you
Runmy fingers through your hair
Ooh
Outta sight
Uh-huh, right there, you like it like that
Closer
Come here, closer, close
Oh baby
Oh babyGive it up, aint no use
I can help myself if Id wanted to
Im hung up, no doubt
Im so in love with you, for me theres no wayoutCause deeper and deeper
In love with you, Im falling
Sweeter and sweeter
Your tender words of love keeps callingEager and eager, yeah
To feel your lips upon my face
Please her and please her
Any time or any placeIm gonna love you, love you, love you just a little more, baby
Im gonna need you, need you, need you every day
Im gonna want you, want you, want you in every way, yeahMake no mistake, for Ill hold back knowin
This time it looks like lover is here to stay
As long as I shall live
Ill give you all I have and all I have to giveCause please her and please her
Any time or any place
Eager and eager
To feel your sweet lips on my faceDeeper and deeper
In love with you Im falling, yeah
Sweeter and sweeter
Your tender words of love keeps callingIm gonna love you, love you, love you just a little more, baby
Im gonna need you, need you, need you every day
Im gonna want you, want you, want you in every way
