Surprise Hotel

Fool's Gold

Better late than never.
Surprise Hotel
You built a Surprise Hotel
And left me on the stage
You built a Surprise HotelWhy?Suddenly I lie alone
This room is very strange
When you're not naked in itWhy?You built a Surprise Hotel
And left me on the stage
You built a Surprise HotelWhy?Now I'm floating in the pool
And waiting for the bellboy
I'm trapped in air conditioning
Just because!
You built a Surprise Hotel
And left me on the stage
You built a Surprise HotelWhy?I'll bury you in the earth
A special seed will sprout
It will be a brand new shape!
Just because
