

# Surprise Hotel

## Fool's Gold

Better late than never.  
Surprise Hotel  
You built a Surprise Hotel  
And left me on the stage  
You built a Surprise Hotel Why? Suddenly I lie alone  
This room is very strange  
When you're not naked in it Why? You built a Surprise Hotel  
And left me on the stage  
You built a Surprise Hotel Why? Now I'm floating in the pool  
And waiting for the bellboy  
I'm trapped in air conditioning  
Just because!  
You built a Surprise Hotel  
And left me on the stage  
You built a Surprise Hotel Why? I'll bury you in the earth  
A special seed will sprout  
It will be a brand new shape!  
Just because
