Gardenia Talk

Laura Nyro

Gardenia talk
It's spring
Gardenia talk
It must be spring
Oh oh oh ohmaybe
I'd like to know you
Struck by the poetry
I know it's not the time to show you
I may know you in my dreamyou never hear me
Talk the talk
Talk the talk of love
Swoon like a teenager
Oh
Gardenia talk ooh ooh ooh
Gardenia talk ooh ooh ooh
Are you just some sweet stranger?I only met you on the bus to springtime
Now I'm struck by a fantasy
If there's something I can do
With this dream
Fills the darkness like the seathat's where I heard you
Talk the talk
Talk the talk of love
Swoon like a teenager
Oh
Gardenia talk ooh ooh ooh
Gardenia talk ooh ooh ooh
Am I just some sweet stranger?gardenia talkit's spring
Gardenia talk
It must be spring
Gardenia talk
Meltin' everythingooh la la la ooh ooh ooh
Ooh la la la ooh ooh oohare you just
Are you just
Are you just some sweet stranger?
Ooh la la la ooh ooh ooh
Ooh la la la ooh ooh ooh
Gardenia talk ooh ooh ooh
Gardenia talk ooh ooh ooh
