

# Where the Streets Have No Name

## Jazzystics

I wanna run, I want to hide  
I wanna tear down the walls that hold me inside  
I wanna reach out and touch the flame  
Where the streets have no name I wanna feel sunlight on my face  
I see the dust cloud disappear without a trace  
I want to take shelter from the poison rain  
Where the streets have no name Where the streets have no name  
Where the streets have no name  
We're still building, then burning down love, burning down love  
And when I go there, I go there with you, it's all I can do The city's a flood, and our love turns to rust  
We're beaten and blown by the wind, trampled in dust  
I'll show you a place high on a desert plain  
Where the streets have no name Where the streets have no name  
Where the streets have no name  
We're still building, then burning down love, burning down love  
And when I go there, I go there with you, it's all I can do Our love turns to rust  
We're beaten and blown by the wind  
Blown by the wind, oh, and I see our love  
See our love turn to rust Oh, we're beaten and blown by the wind  
Blown by the wind  
Oh, when I go there, I go there with you  
It's all I can do
