

I'm In Love (SoundFactory Paradise Anthem)

Sanna Nielsen

Now I know
Yes, it's here I belong
By your side, in your arms
You are my destiny
You are my light, shining so bright
CHORUS:
All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in love
Now it's time
I have made up my mind
No more reasons to cry
Loving you endlessly
You are my light, shining so bright
CHORUS:
All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in love
Stick
Yes, from the start
You reached so deep, into my heart
How could I live without you
I want you, I need you forever
I give you
CHORUS:
All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in love
All my love I give to you
All I do I do for you
I'm in love, baby I'm in love, baby I'm in love
