All Or Nothing

Au Revoir Simone

Everywhere is somewhere baby
So can't you see we're in the middle
SomewhereNowhere just means knowing nothing
of where you've been or where you're going
feels fartherYou're a sight to see this early morning
getting lost in my own
neighborhoodThe same freedom you feel
Is what's been blowing in my sail
Since I arrived hereIt's all, all, all, all
It's all, all, all, all
It's all, all, or nothingIt's all, all, all, all
It's all, all, all, all
It's all, all, or nothingSlowly coming into view,
The images, are slowlySlowly coming into view
The images, are slowlyBlending out for once
I know there's less to life
Once more it's looking for meSaying yes instead of no
And wondering what to make
of my directionsWon't be long that's just to gaze
And days will fall to dreams
something familiarIt's all, all, all, all
It's all, all, all, all
It's all, all, or nothingIt's all, all, all, all
It's all, all, all, all
It's all, all, or nothing
