PUT 'EM UP

By Canton Jones FT Messenja & Tonio

CHORUS:

Put 'em up!

I need to see your hands in the air!

Put 'em up!

Put 'em up!

Put 'em up!

Put 'em up!

I need to see your hands in the air!

Put 'em up!

Put 'em up!

Don't make me send somebody out there!

Put 'em up!

VERSE:

Yeah! Jump if you want to

I just hope you don't have to go to work in the morning!

Be careful I don't want nobody hurt in the morning!

Come again send me somethin lurkin in the morning (?)

You can rip your plans up

All I wanna see is everybody with their hands up

Lift them high

Let me see you wave like this

Unless you

Can't handle the pray with our

Hands up

Every single morning afternoon I gotta get it in

Yeah, somebody time the night time

Ima get wit all my friends

We gone

(We gone)

And it's on

(And itâ€™s on)
And tomorrow night we goin do it again

Cause my God
Is real
And He feels
My praise
