Alone

Utopia

Let me ask you a question
Will you lend me your ear?
Do you know the meaning of emptiness?
If not I'll make it clearAlone, alone
Nobody knows how lonely it can be
And I'm so tired of being aloneLet me tell you a story
One you've probably heard
One about the man who was lost
And I can tell you in one wordAlone, alone
Nobody knows how lonely it can be
And he was tired of being aloneAlone, alone
Nobody knows how lonely it can be
And I'm so tired of being aloneThere's an end to the fable
Where does all of this lead?
That for everyone who needs someone
There is someone there to needAlone, alone
Someone is still alone
Alone, alone
Someone is still alone
