

Into the Blue

Moby

All alone, I open my eyesWild ride, hold your fire
I'm not about to die, keep back
Let in some air, I dare lie down
To stare at the skyI am wide open, reaching forever
I fly into the blue
I am wide open, reaching forever
I fly into the blueFlat mark, high tide
Frantic to stay afloat, stay calm
Let in some air I dare lie down
To stare at the skyI am wide open, reaching forever
I fly into the blue
I am wide open, reaching forever
I fly into the blueFrom above, I am so small
So fast, I move, I move
The light, the light
Here comes the tideI am wide open, reaching forever
I fly into the blue
I am wide open, reaching forever
I fly into the blueWith water surrounding me
I fly [Incomprehensible] into the blueI am wide open, reaching forever
I fly into the blue
I am wide open, reaching forever
I fly into the blueI am wide open, reaching forever
I fly into the blue
I am wide open, reaching forever
I fly into the blueI am wide open, reaching forever
