

# I Be Damn

## Pastor Troy

Cause I be damn (what) [3x][Lil Pete]  
Cause I be damn  
If my niggas don't be riding them vogues  
Cause I be damn  
If my niggas don't be pimping them hoes  
Cause I be damn  
If my niggas don't be burning that dro  
Cause I be damn (say what) [2x]  
Cause I be damn  
If DSGB ain't ready for war  
Cause I be damn  
If I don't have that tek 9 in my car  
Cause I be damn  
If Lil' Pete ain't gone shine bright like a star  
Cause I be damn (say what) [2x]  
Cause I be damn  
If them niggas run up and they don't get done  
Cause I be damn  
If my pot don't blaze hot like the sun  
Cause I be damn  
If you don't know you done fucked with the one  
Cause I be damn (say what) [2x]  
Cause I be damn  
If them boys don't be keeping it hot  
Cause I be damn  
If them boys don't be busting them glocks  
Cause I be damn  
If them boys don't be cranking the spot  
Cause I be damn (say what) [2x]  
Cause I be damn  
If my niggas won't shut down the club  
Cause I be damn  
If my niggas don't be pumping them slugs  
Cause I be damn
