

# Convalescence

[Russell Haswell](#)

It's been a long night, waiting to sleep the day away  
and it's been a long time coming along with me every step of the way the confinement binds you  
and nothing scares me, nothing thrills me  
I've fooled myself into believing  
that nothing ails me, nothing kills me  
the confinement binds you  
and nothing scares me, nothing thrills me I've  
fooled myself into believing  
that nothing ails me, nothing can kill me the stagnant time  
is a breeding ground for regrets and wrongdoings  
and resolutions take their time that's if they even come at all  
always seeking redemption  
through the echoes I've listened and still came up missing  
always seeking redemption  
through the echoes I've listened and still seeped through the crack the stagnant time  
is a breeding ground for regrets and wrongdoings  
and resolutions take their time that's if they even come at all the confinement binds you  
and nothing scares me, nothing thrills me  
I've fooled myself into believing  
that nothing ails me, nothing kills me  
the confinement binds you  
and nothing scares me, nothing thrills me I've  
fooled myself into believing  
that nothing ails, me nothing can kill me These wounds will heal nothing can stop me now  
These wounds will heal nothing can stop me now  
These wounds will heal  
These wounds will heal  
These wounds will heal
