

# Brainstorm

## Arctic Monkeys

Brian, top marks for not tryin'  
So kind of you to bless us  
With your effortless  
We're grateful and so strangely comforted And I wonder, are you puttin' us under?  
Cause we can't take our eyes off  
The t-shirt and ties combination  
Well see you later, innovator Some want to kiss, some want to kick you  
There's not a net you couldn't slip through  
Or at least that's the impression I get  
Cause you're smooth and you're wet  
And she's not aware yet, but she's yours She'll be sayin' "Use me,  
Show me the jacuzzi"  
I imagine that it's there on a plate  
Your rendezvous rate means that you'll never be frightened  
To make them wait for a while I doubt it's your style  
Not to get what you set out to acquire  
The eyes are on fire  
You are the unforecasted storm (Brian)  
Calm, collected, and commandin'  
(Top marks for not tryin')  
You made the other stories standin' With your renditions and jokes  
Bet there's hundreds of blokes  
That have wept cause  
You've stolen their, thunder Are you puttin' us under?  
Cause we can't take our eyes off  
The t-shirt and ties combination  
Well see you later, innovator
