M-16 (Unlisted Bonus Track)

Sodom

The awe of love pulled out of the roots
Just rolling thunder we found
Pregnant with the tears of shame
But never let 'em outWe shoot 'em down
We shoot 'em down
We shoot 'em downFree fire zone with my m-16
Vendetta burns inside
Wiped out their lives for eyes unseen
Mercy chilled to the freezing point
To the warBlind religion,clouded minds
Called by the name of war
223 body penetration
Before you hit the groundWe shoot 'em down
We shoot 'em down
We shoot 'em downFree fire zone with my m-16
Vendetta burns inside
Wiped out their lives for eyes unseen
Mercy chilled to the freezing point
Free fire zone with my m-16
Vendetta burns inside
Wiped out their lives for eyes unseen
Mercy chilled to the freezing point
To the war
You are imploring to my aid
Machine gun fire scorn
Life corroded from inside
Remains in silent forceWe shoot 'em down
We shoot 'em down
We shoot 'em downFree fire zone with my m-16
Vendetta burns inside
Wiped out their lives for eyes unseen
Mercy chilled to the freezing point
Free fire zone with my m-16
Vendetta burns inside
Wiped out their lives for eyes unseen
Mercy chilled to the freezing pointFree fire zone with my m-16
Free fire zone with my m-16
Mercy chilled to the freezing point

To the war
