

# Angels

## Robbie Williams

I sit and wait  
Does an angel  
Contemplate my fate?  
Do they know  
The places where we go  
When we're grey and old  
'Cause I've been told  
That salvation  
Lets their wings unfoldSo when I'm lying in my bed  
Thoughts runnin' through my head  
And I feel that love is dead  
I'm lovin' angels insteadAnd through it all  
She offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
She won't forsake me  
I'm lovin' angels insteadWhen I'm feelin' weak  
And my pain walks down  
A one way street  
I look above  
And I know I'll always be blessed with loveAnd as the feeling grows  
She breathes flesh to my bones  
An' when love is dead  
I'm lovin' angels insteadAnd through it all  
She offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
She won't forsake me  
I'm lovin' angels insteadAnd through it all  
She offers me protection  
A lot of love and affection

Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
She won't forsake me  
I'm lovin' angels instead
