Angry

Naked Aggression

I'm in a frenzied state of mind
Smashing things all around
Why do things have to be this way?
Why do things have to be this way?
Why do things have to be this way?
Why do things have to be this way?
I can't take it anymore
I'm going to go insane
I'm so angry, I'm so angry, I'm so angry,
I'm so angry, angry, angry, angry!
I don't know why I care anymore
I just want things to change
I don't know why I give a shit anymore
I just want things to change
Things just gotta change, things just gotta change
Things just better change, things just better change!
I'm so fucking pissed off
I just wanna kill someone
I just wanna smash your brains
I just wanna smash your brains
I just wanna smash your brains
I just wanna smash your brains!
I can't take it anymore
I'm going to go insane
I'm so angry, I'm so angry, I'm so angry,
I'm so angry, angry, angry, angry!
I don't know why I care anymore
I just want things to change
I don't know why I give a shit anymore
I just want things to change
Things just gotta change, things just gotta change
Things just better change, things just better change!
