So High

John Legend

Mmm, oooBaby, since the day you came into my life

You made me realize that we were born to fly

You showed me everyday new possibilities

You proved my fantasies, what love could really beLet's go to a place only lovers go

To a spot that we've never known

To the top of a cloud we're floating awayOoh, this feels so crazy, how this love is blazing

Baby, we're so high, walking on cloud nine

(You got me up so high)

So high

(My shoes are scraping the sky)

So high

(You got me up so high)

Oh

(My shoes are scraping the sky)Maybe later we could go up to the moon

Or sail among the stars before the night is through

And when morning comes we'll see the sun is not so far

And we can't get much closer to God than where we are We'll go to a place only lovers go

To a spot that we've never known

To the top of the clouds we're floating way, yeahOoh, this feels so crazy, oh, this love is blazing

And baby, we're so high, walking on cloud nine

(You got me up so high)

So high

(My shoes are scraping the sky)

So high

(You got me up so high)

Oh, yeah

(My shoes are scraping the sky)Ooh, yeah

Ooh ohh

HeyOoh, this feels so crazy, how this love is blazing

Baby, we're so high, walking on cloud nine

You got me up so high

You got me up so high

You got me up so highMy shoes are scraping the sky

You got me up so high

You got me up so high

You got me up so high

My shoes are scraping the skyOoh ooh, yeah

Mmm yeah, yeah

This is how love's supposed to be, yeah

This is how, this is how love's supposed to be, yeah
Let's go to the moon baby, ooh
Let's go to the moon baby, yeah
Let's go, go, let's go to the moon, baby
So high
