

Can't Fight This Feeling

Junior Caldera feat. Sophie Ellis-Bextor

I can't fight this feeling any longer
And yet I'm still afraid to let it flow
What started out as friendship has grown stronger
I only wish I had the strength to let it show
And even as I wander I'm keeping you in sight
You're a candle in the window on a cold dark winters night
And I'm getting closer than I ever thought I might
And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars
Baby, I can't fight this feeling anymore
My life has been such a whirlwind since I saw you
I've been running round in circles in my mind
And it always seems that I'm following you, girl
'Cause you take me to the places that alone I'd never find
And even as I wander I'm keeping you in sight
You're a candle in the window on a cold dark winters night
And I'm getting closer than I ever thought I might
And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars forever
'Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
Even if I have to crawl upon the floor
Come crushing through your door
Baby, I can't fight this feeling anymore
