Jesus Is Coming Soon

BATSUA

Cover us in Your glory
Soak us in Your Heart
Fill us with Your Spirit
In Your Presence we are lost

We thirst for the living water
Safe in Your hiding place
We Your sons and daughters
Long to see You face to face

Jesus is coming soon
Jesus is coming soon
Jesus is coming soon
We wait impatient for our groom

Search through our hearts God
Walk into this room
Permeate our Souls God
For Your son is coming soon

Jesus is coming soon
Jesus is coming soon
Jesus is coming soon
We wait impatient for our groom

We cannot wait to finally see Him
We cannot wait to hold Him closer
We cannot wait to kiss Him all over
The bride is waiting for her groom
