A God Like You

Kirk Franklin

Hit me
How y'all doin this evening??
How y'all doin this evening??
Do y'all want that bounce??
Do y'all want that bounce??
Do y'all want that bounce??
That bounce
Everybody wanna be like you they want power and praise like you but see there is no God
Like our God
There's no one like you
Who gave their life like you and
Who payed our price like you see
There's only one God
That's our God
There's no one like you
Verse
Who can touch like you
Or heal us like you do
We stumble and we stray still
You always let us through
Who makes all things new
And comes to our rescue
Death hell and the grave
They could not conquer you
Pre-chorus
Became just like me
To unlock and set free
This prisoner that was deeply wounded and redeemed
The me I could not see
Chorus
Everybody wanna be like you they want power and praise like you but see there is no God
Like our God
There's no one like you
Who gave their life like you and
Who payed our price like you see
There's only one God
That's our God

There's no one like you
Verse 2
Some may worship things
But what joy do they bring
They try and hide the stains
But can they set us free

See where would we be
Without Calvary
A king upon a tree
So the whole world can see
(That you)
You became just like me
To unlock and set free
This prisoner that was deeply wounded and redeemed
The me I could not see
Everybody wanna be like you with
More power and praise like you but
see there is no God
Like our God
There's no one like you
Who gave their life like you would
Who payed our price like you payed
There's only one God
That's our God
There's no one like you
Bridge
Healer father saviour
Counselor friend provider
Was is and forever
that's why I just wanna be where you are
I'll travel life with you
no matter how far
Repeat
Hey hey hey 4x
(I glad that you)
Became just like me
To unlock and set free
This prisoner that was deeply wounded and redeemed
The me I could not see
Everybody wanna be like you with
More power and praise like you
but see there is no God
Like our God
There's no one like you

Who gave their life like you would
Who payed our price like you payed
There's only one God
That's our God
There's no one like you
There's no one like you
There's no one like you
There's no God like our God
There's no one like you
