

# Leaving You

## Bad Company

You loved me and you made me what I am today  
You loved me and you gave in every single way  
You loved me and you gave it all so tenderly  
You loved me But I'm telling you now on bended knee I'm leaving you baby  
Ooh yeah  
I'm leaving you baby I was dirty and you took me home and washed my face  
I was nowhere and you gave me a home, a resting place  
I was nothing and you gave me something to live for  
I was nowhere I wanna tell you now like never before I'm leaving you baby  
I'm leaving you baby  
Oh yeah I was dirty and you took me home and washed my face  
I was nowhere and you gave me a home a resting place  
I was nothing, nothing and you gave me something to live for  
I was nowhere And I feel it now like never before Mama, I'm leaving you baby  
I'm leaving you baby  
I'm leaving you baby, oh yeah I'm leaving you baby  
Leaving you baby  
Leaving you baby  
Leaving you baby Time and time away  
Yeah babe I'm leaving you before it's too late  
I'm leaving you baby, hey hey  
I'm leaving you baby I can't stop the tears that you cry  
I can't stop the tears that you cry  
But I got to say goodbye, oh baby  
I'm leaving you, ma ma ma ma  
Oh I'm leaving you baby, ooh
