Soon Forget

Pearl Jam

Sorry is the fool who trades his soul for a corvette
Thinks he'll get the girl he'll only get the mechanic
What's missing? He's living a day he'll soon forgetThat's one more time around, the sun is going down
The moon is out but he's drunk and shouting
Putting people down, he's pissing, he's living a day he'll soon forgetCounts his money every morning, the only thing that keeps him horny
Locked in a giant house that's alarming
The townsfolk they all laughSorry is the fool who trades his love for hi-rise rent
Seem the more you make equals the loneliness you get
And it's fitting, he's barley living a day he'll soon forget
