Possibilities (Demo) [Bonus Track]

Teddy Geiger

I'm walking on clouds now
And the sky is falling on down
I don't wanna wake up if I'm dreaming
Don't think I'll ever get out of my bedIt's like every moment brings a surprise
And my eyes won't open
I feel something's different
I'm growing out of my skin[Chorus]
Goodbye my fears
I feel that we have parted
The possibilities keep walking in on me
It feels so strange, I guess that's change
It's alright
The possibilities keep walking in on meI always said that I needed a girl
One to hold and who I'd give the world
Well that's alright
But it's so hard to decide, yeah
Sometimes I find pictures of me left behind
Things in life happen twice, the first is in my mind[Chorus]Sometimes I can't [Repeat: x3]
See what's right in front of my eyes
Sometimes I can't [Repeat: x3]
Believe that I believe[Chorus]
