

Where's The Love (Radio Edit)

Hanson

Something has been going on and I don't know what it is
You don't mind the taking, girl, but you don't know how to give
You drove me crazy, but I don't know, baby
You're thinking that it's me you're fooling
Where's the right in all of our fighting?
Look at what you're doing Where's the love?
It's not enough
It makes the world go 'round and 'round and
Where's the love?
Give it up
It makes the world go 'round and 'round and 'round Can you tell me what you see whenever you look around
We're tripping all over ourselves and pulling each other down
We're separating; consciousness is fading
Are you thinking that it's me you're fooling?
Where's the right in all of our fighting?
Look at, look at, look at what we're doing Where's the love?
It's not enough
It makes the world go 'round and 'round and
Where's the love?
Just give it up
It makes the world go 'round and 'round and 'round Dark clouds all around, lightning, rain pouring down
Waiting for the bright light to break through
Face down on the ground
Pick us up at the lost and found
We've got to change our point of view if we want the sky blue We're segregating; consciences are fading
You're thinking that it's me you're fooling
Where's the right in all of our fighting?
Look at what we're doing Where's the love?
It's not enough
It makes the world go 'round and 'round and
Where's the love?
Give it up
It makes the world go 'round and 'round and 'round Where's the love?
It's not enough
It makes the world go 'round and 'round and 'round and 'round
Where's the love?
Just give it up
It makes the world go 'round and 'round and 'round Where's the love?
It's not enough

Give it up, just give it up
Give it up, give it up, 'round and 'round and 'roundWhere's the love?
It's not enough (not enough, not enough)
It makes the world go 'round and 'round and 'round and 'round
Where's the love?
Just give it upWon't you, won't you give it up?
