

Expansion Team Theme

Dilated Peoples

You got light, don't wait till its dark to as questions You should check the signs, symbols, hits, clues

The writings on the wall but it's up to you

Expansion Team Dilated Peoples Crew

(What you wanna do is watch for clues) You should check the signs, symbols, hits, clues

The writings on the wall but it's up to you

Expansion Team Dilated Peoples Crew

And if you still don't know, this is how we do There ain't nothing as bright, as heavy as light

As dark as night, as set to strike

As ready as right, as loose as tight, as quick to expand

As we on the mike There ain't nothing as bright, as heavy as light

As dark as night, as set to strike

As ready as right, as loose as tight, as quick to expand

As we on the mike If it was a snake it would have bit ya'

Slithered up like a boa-consticta and griped ya'

Step back and beat the big picture

These cats as though in my head

I charge the mound just to get the picture Bitch clearest specialist better hit ya'

But never miss ya'

Y'all need to double check the scripture

Deco, Deco, unload, reload

Pressin' heights Peco, live like Steve Boko Piss on trees and leave marks to graffiti

Even gang graffiti though I'm for the peace treaty

Frustrated cats we hussle but still needy

And whistle like Twity when we see the L.A.P.D. We going four for score for the prize

You need to see with more than your eyes

It's war in disguise

Tanfa callas are vagrants, this goes for every agent

Some are camouflaged others are very blatant You got light, don't wait till its dark to as questions You should

check the signs, symbols, hits, clues

The writings on the wall but it's up to you

As we on the mikeSe keep your torch lit, light your flares, have back ups prepared
Wait for the enemy, war is declared
Expansion Team Theme music anthem
Got colored schemes hot, peak lovers red at randomUp close and personal, songs from my journal
My lyrics are the ink, my reflection is eternal
These words are powerful, so hard to describe
Type to raise eye brows and open eyesBut what we did, get your hands dirty, fingers dusty
I've been around the world, you haven't, you could trust me
Line them up, knock them downKeep them cocked, beats and vocals
If you fuck with these locals catch ghost busters logo
Channel ZeroSeparate suckers from heroes, recorded digital Bobby Deniro
Load your base bags, put on your gloves, lace the shoes
Keep your eyes open for signs and ears open for cluesYou got light, don't wait till it's dark to as questions
You should check the signs, symbols, hits, clues
The writings on the wall but it's up to you
